USSR: Marshal N. I. Krylov is the new commander of the Strategic Rocket Forces, according to the chief of the foreign liaison section (OVS) of the Ministry of Defense.

Krylov, who has been commander of the Moscow Military District since 1960, replaces Marshal S. S. Biryuzov, who was upgraded to the position of chief of staff of the Soviet Armed Forces on the demotion of Marshal Zakharov. Krylov's new assignment was revealed during a review of a prospective guest list for a US Armed Forces Day reception to be held in Moscow on 21 May.

The OVS official struck from the list the name of Army General Serov, former head of Soviet military intelligence.

[redacted] He said without comment that Serov could not go to the reception.

The OVS chief raised the question of an invitation for former Defense Minister G. K. Zhukov, who was dismissed by Khrushchev in 1957. Zhukov's only difficulty, the OVS chief claimed, was that he had ignored political training in the armed forces and that was now more than five years ago. He indicated he would have no objections to an invitation to Zhukov.
